Students of Bougas school happily present a well-known fairytale character who everyone has always loved, Little Red Riding Hood. But in this presentation, our heroine lives in an online world...

ΕΚΠΑΙΔΕΥΤΗΡΙΑ  
ΜΠΟΥΓΑ

The little girl lived happily with her mum in a small village next to the woods!

One day her mum told her to cross **the woods** and deliver a basket with food for her grandma who was sick. But mum warned the girl "Watch out! The Big Bad Wolf lives there..." "Don't worry mummy! Bye!" She said and she left...

Little Red Riding Hood was walking through the thick and dark forest!  
But she wasn't scared at all! What she could only see were some very  
**strange, but beautiful flowers**.... So, she started singing  
*"Who's afraid of the Big Bad Wolf, Big Bad Wolf, Big Bad Wolf, ..."*

Suddenly the **Big Bad Wolf** appeared!

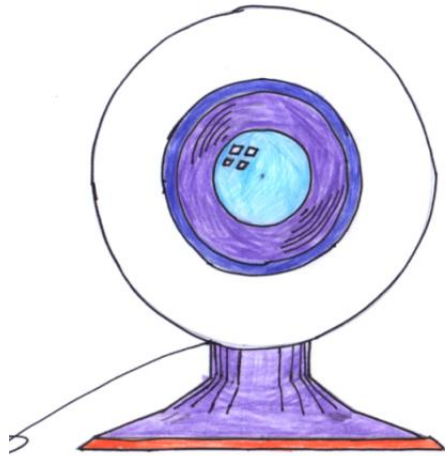

"Where are you going little girl??" He asked.

"I'm going to my grandma's house! She is sick!" The girl naively replied!"

"...And where does she live?"

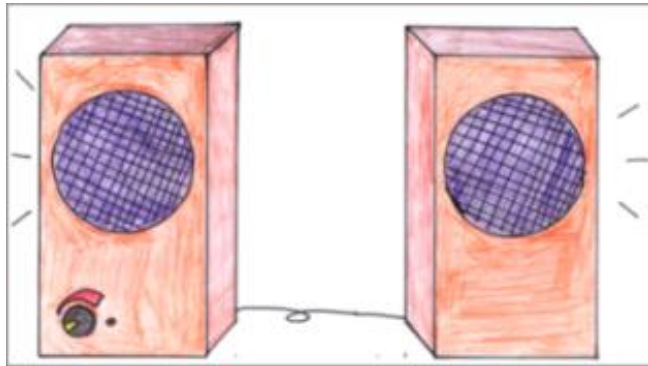

The little girl showed the way to her grandma's house and she continued walking, while the wolf ran away...

After a while Little Red Riding Hood arrived at her grandma's house. She knocked at the door and she walked in the house. Her grandma seemed to be quite different though...

"What **big eyes** you have!" the girl said!

"All the better to see you with!" the wolf replied.

"What **big ears** you have!"  
The girl said!

"All the better to hear you with" the wolf responded!

"And what big hands you have!" the girl shouted.

"All the better to hug you with", the wolf responded.

"What a big mouth you have" "All the better **to eat you** with" and he jumped out of the bed and ate her!

Little Red Riding Hood was very sad! She wanted her mum to help her, but she was **trapped** in the wolf's stomach! She decided to speak loudly, to share her problem so someone could save her!

Fortunately **a hunter** heard her screaming and crying and went into the house to help!

The hunter grabbed **his gun** and killed the wolf! Then he took the girl out of the wolf's stomach. Fortunately she was still alive.
