TEST DAY PHOTOGRAPHY

Candidates registering for the **Cambridge English Qualifications: C1 Advanced (CAE), C2 Proficiency** examinations will be required to have a **passport style photograph taken on the day of their speaking or written examination** as mentioned in the Candidate Privacy Notice. This will be done by members of the British Council test day staff. The aim of this is to further enhance test security in accordance with Cambridge Assessment English examinations regulations. Candidates refusing to have a test day photo taken will **not be permitted to sit an exam** for which a photo is mandatory.

Test Day Photos are an important part of the Cambridge English security measures and they are an essential requirement for our recognising organisations. **Test day photos are mandatory for all C1 Advanced candidates. For C2 Proficiency, they are mandatory for adult candidates only.** We will accept applications for C2 Proficiency candidates under 18 years of age whose parent/legal guardian refuses to acknowledge the Test Day Photography procedure; however please note that **a photo cannot be added to the candidate's result at a later date.**

CHILD PROTECTION

We believe child protection requires everyone to take responsibility and that every child matters. We recognise that the care and welfare of children is paramount and that all children have the right to equal protection from all types of harm or abuse. Our Child Protection Policy engages our organization worldwide, underlying the importance of this commitment. We recognise that we have a fundamental duty of care towards all of the children we engage with, including a duty to protect them from abuse. We achieve this through compliance with UK and Greek child protection laws and relevant laws in each of the countries we operate in, as well as by adherence to the United Nations Convention on the Rights of the Child (UNCRC) 1989. **A child is defined** in the British Council as anyone who **has not reached their 18th birthday** (UNCRC 1989) irrespective of the age of majority in the country where a child is or their home country.

This policy is mandatory for all British Council staff worldwide. This includes anyone who works for the British Council, either in a paid or unpaid, full- or part-time capacity. This includes directly employed staff, trustees, contractors, agency staff, consultants, volunteers, interns and anyone working on behalf of the British Council and ensures that all our exam staff are fully trained in order to offer a 'child safe' environment. It also warrants that all underage candidates will remain under our constant supervision throughout the exam day. At the end of the examination, only parents/legal guardians or the person specified by them are permitted to collect their children from the exam venue. To facilitate this, a consent form will be sent along with the timetables for completion and use before the exams.

Dear parents/guardians/teachers we wish to inform you that:

- **Candidates under 11 years** of age may not leave the exams premises unless collected by a parent/legal guardian or other nominated adult.
 - In case they nominate another person to collect their child, they are kindly asked to provide his/her details on the **Child Collection/Authorisation Form**. This form will be collected by our Child Care Assistant on the day of the examination.
- **Candidates aged between 11 and 17 years** may leave the examination premises unaccompanied provided that they present the **Child Collection/Authorisation Form** to our Child Care Assistant on the day of the examination.

During the scheduled breaks, all candidates will be in a designated area, under the supervision of our staff.

Parents/Legal guardians of candidates who study at a foreign language school should be informed about this process by their school before the exam.

We also follow a 'child safe' recruitment and employment process, which ensures that Child Protection is at the heart of what we do.

- A full **re-mark of all written papers (stage 2)** is carried out by a Principle Examiner. Please note that it **does not apply** to any **Speaking Test** component. The fee for this service varies according to the examinations:

○ A2 Key (for Schools) ○ B1 Preliminary (for Schools)	€100
